

The Y Restaurant achieves 5 stars

The Y Restaurant, located at the rear of Guildford YMCA's Bridge Street building, boasts riverside views and a terrace. And under Guildford Borough Council's 'Scores on the Doors' scheme it has just been awarded the maximum five stars.

The Y Restaurant is the destination of choice for many lunchtime diners. A recent survey elicited the following comments - "the service is unhurried but very efficient and the food is excellent. For us it is the only place to eat in Guildford", "very good food at good prices and very friendly staff" and "pleasing environment to sit, eat and chat". And while many customers are local, the location opposite the mainline station makes it a convenient place for friends to meet up from much further afield.

Offering generous portions of traditional hot dinners in a peaceful atmosphere, it is an oasis of calm just a stone's throw from the town's busy shopping centre. The choice of homestyle meals changes daily and are all prepared by the YMCA's own team of chefs. For the smaller appetite there's soup, baguettes or paninis made to order.

Tom Neaser, Chef Manager at Guildford YMCA said, "This is the highest award given for food hygiene, cleanliness, training and food management, so a big thank you goes to all my staff for their part in achieving it." With the busy Christmas period approaching those who have enjoyed the YMCA's Christmas meal will be booking their tables again. And those who haven't are missing a treat. Call 01483 532555 ext 510 to book a table or visit our website for more detail - www.guildfordymca.org.uk/restaurant_at_christmas.htm
